

Jaxon LoCoco

February 14, 2012 - November 27, 2023

It's been 2 months since we said Goodbye. I'm still in shock. You were rescued on Christmas Eve. We found you in February 2013 and loved since that very first day. How you enjoyed playing with toys! Great watch dog no one came near us without you barking! I still cry, but knowing you are not in pain gives me relief. Love Mommy & Bennie
