

Jingle Giffen

August 31, 2004 - October 21, 2023

Jingle was a loved family member in our home for 19 years. Through those years he lived with 3 different dogs, 7 other cats and 3 ferrets. Jingle got along with each one, always everyone's friend. Jingle was not a lap cat but was always beside you or laying above your head. He was lovingly called "bestest buddy", "soft kitty" or "Jing". We miss him greatly.
