

Judy Lynn Fowler

August 14, 2006 - March 18, 2022

Judy was my first baby. A beautiful puppy. My sister and I went to pick up her dog. Where I saw my dog and fell in love. She turned into our family dog with 3 kids and another dog who misses her just as much. I'd say "her's my girl" and she'd run to me. Sit and sun bath in my kids baby pool. Run and play. I miss you so much. Till I see you again, I love you.
