

Heidi

February 12, 2009 - February 24, 2024

Heidi, we thought we were rescuing you all those years ago, but you in fact rescued us. You were a loyal companion but so much more, you were our very best friend. You stood by our side as we transitioned from children to adults, walked with us as we chased dreams, and wagged that tail of yours as our home and family grew. There is a huge hole in our lives without you that can never be filled, but our shattered hearts are bandaged with the paw prints you left there. Until we meet again baby girl. Mommy, Daddy, Saylor, Chloe, James and Chase love and miss you so much.
