

## Julius Mueller

November 6, 2004 - April 20, 2018

Julius was a very lovely cat. I got him at Cat Welfare. He comforted me during storms by putting his ear up to my ear. He sat beside me on my wheelchair. He could tell when I wasn't feeling well just by looking at me. He could tell when I was getting ready to go to work and he always wanted me to stay with him.

I miss him so much.
