

June Bug Gant / Valentour

August 20, 2021

In loving memory of our sweet June Bug who went to heaven on August 20, 2021.

June Bug was rescued from rural Texas and immediately changed our lives forever.

June loved to chase squirrels and birds, but she was truly happiest when she was with her mom and dad.

We are so devastated to lose our sweet girl on this earth, however she will always be in our hearts. We are confident that June is at peace in heaven and chasing every squirrel and bird heaven has to offer.

Until we meet again June Bug.

Love,
Mom & Dad

“ We will miss sweet June’s facial expressions when you rubbed her belly. We will always laugh about her hiding her babies behind the couch cushions. We wish we could see her play in the snow again, hopefully it’s snowing in doggie heaven.

Love,
Lenny, Nanette, and Colin
