

Kamilah Williams

August 14, 2025

Kamilah was so loved! My first persian who the breeder said was "an ugly duckling " was the most beautiful thing I had ever seen in my life. She had a huge personality and even at one time had her own Instagram. She was such a loving girl and loved to lay between me and her dad or between our legs. She was lay on her back and roll her head around like an owl wanting affection. She loved her alone time with us. She passed too soon at only 9 years old but we almost lost her at 1 year old to respiratory complications so im thankful for the extra 8 years of love I got to experience. There will never be another like her. I hope to see her again some day. Ill miss you forever my baby kami "mimi moo moo cow" forever in our hearts. Proceeded in death by Rhea, Pumpkin, and Gypsy.
