

## Kayo Harrell

February 4, 2010 - June 5, 2023

Our loved Boxer Dog, Knockout (Kayo) is now at peace. Kayo excelled at obedience and participated in agility competitions. Most importantly, he used his love of people as a certified pet therapy dog. He visited many places and people, but our favorite was working with young kids at the hospice grief support.

We were able to share him with family and everyone he came into contact was a friend.

Our son, brother and friend is missed, however will continue in our hearts forever.
