

Kitty Bratton

November 2, 2021

Kitty was the most gentle pet I have had.

I went to Kansas City, Missouri to get her on the unexpected death of my brother. He named her Kitty . We called her "Glenn's Kitty" for the first 2 years and she really knew her name. For the 10 years that I was her person she helped me grieve the loss of my brother. She was my sweet girl. When she passed it felt like I was giving her back to my brother.

Thank you sweet girl, for loving me with your adorable self.
