

## Klementine Ray Bauserman

November 1, 2020

Klementine came into our lives just as quick as he left. He was the absolute sweetest cat I have ever been around. He always wanted to be with his mom. Wherever she was he followed. He loved morning treats and belly rubs. He loved laying on mom's desk while she worked. We couldn't ask for a better baby kitty. 2 and 1/2 years was not long enough little ray. You will always be our ray of sunshine. - Love your mom & dad.
