

Kratos Moore

June 22, 2011 - June 6, 2022

Kratos was the most amazing dog you could have asked for. He always knew when I was sad and he would do everything in his power to make me happy. Kratos was so sweet and easy to talk to. He knew all my secrets and never told a soul. I couldn't have asked for a better Best Friend. Kratos will be missed everyday, and he is always going to be loved. If you knew Kratos he brought light into any room he entered. Kratos was my light in the darkness.

“ *Kratos I still think about u everyday. Thank u for always being there for me even after ur gone. I remember the day I brought u home. U were so tiny and never wanted to leave my side. U truly were woman's best friend. U protected me from everything from leaves to vacuum cleaners. Thank u for being my protector. I love u and miss u so much and that will never change. Wait for me in heaven and I'll be there one day to play and cuddle with u again. I promise baby boy.*

“ I remember the day I brought Kratos home with me. He was so small he slept in my hair at night. I would have to untangle a pit bull puppy out of my hair every morning. Then as he grew he went to my shoulder like a parrot then across my neck and finally behind my legs. He was always there beside me from day one. And I'm blessed to have had a dog as great as he was and as loyal as him. He was an amazing best friend. Rest easy my handsome little man mommy loves u
