

## Luna (Tuna Fish)

May 16, 2019 - April 2, 2024

In the early morning hours on Tuesday April 4,2024 we very unexpectedly lost our fur kitty Luna. She was so sweet and acted like one of the dogs. Yell her name and she would come running. She loved to cuddle, steal our chairs before we got to them. So she could have the spot. She loved chasing the dogs around. She loved playing side and seek and to sneak down the stairs and make sure we were the only ones home. Luna, you will be missed terribly and never forgotten,. Fly high our angel.
