

## Lacey Shellabarger

November 23, 2012 - June 16, 2018

Lacey,

You were our big, sweet and fun loving girl. You made everyone around you smile with your puppy like way of running--even as an adult. You were loyal and loving and a true member of the family. We will always miss you. From the day we first met you...you stole our hearts and without you...there is a big void.

We will always love and miss you big girl.
