

Laurie Garcia

October 21, 2016 - September 12, 2024

Laurie, our beloved Lorrina. The first day we meet you. You touched our heart. Only two years with us. We wish we had met you before. We tried to give you the best life you deserved. Now we know you are happy running and jumping everywhere until we see you again. We miss you so much and we will love you forever.
