

Layla Keller/Dewar

May 13, 2004 - September 18, 2018

Layla was our first senior rescue and we are so grateful for the time we had with her. While she was older in age, her energy was young at heart and made the last 5 years amazing. So many things we will miss but most of all, her smile and bark when we walk through the door.

“ *Shes was such an amazing soul! She knew the moment i was there. She'd bark her little chocolate head off and lead me strait to the treats!! Then would constantly whine the entire time because she knew id give in and give her one after another. Its so hard walking tbe door and not being able to love on you. You will forever be missed, Aunt Sammi's Baby, Layla Girl❤️ I love you*
