

Led Zeppelin Bubba Mattson

February 26, 2006 - October 28, 2017

My husband got Led as a birthday gift when he was 17. He turned out to be the best birthday gift ever. They had many adventures together. When Led was 6 his dad ended up meeting the woman who would become his mom. They spent nearly 5 years together. Through those years they moved a few times and Led gained a few animal siblings. He will be truly missed by his dad, John, his mom Audra, his cat-sisters Katniss and Louanne, his dog-brother, Merle, and the countless others whose lives he touched with his love and passion for life. ~Audra Mattson~
