

## Leo Ward

July 12, 2007 - January 30, 2022

In the early fall 2007 I planned a fun day to Amish Country to Berlin, Ohio. I of course I have to visit Berlin Pet Shop. I fell in love with this tiny all black and white Shih Tzu- he was such a gentle puff ball- not a whimper in mind. I made his purchase- brought him home and he was part of the family for 14 years. Leo was such a gentle- gem, quiet, humble and an inspiration in my life. He was a comfort to my soul. I truly will always miss him and when I close my eyes I will always see him.
