

Levi Hall

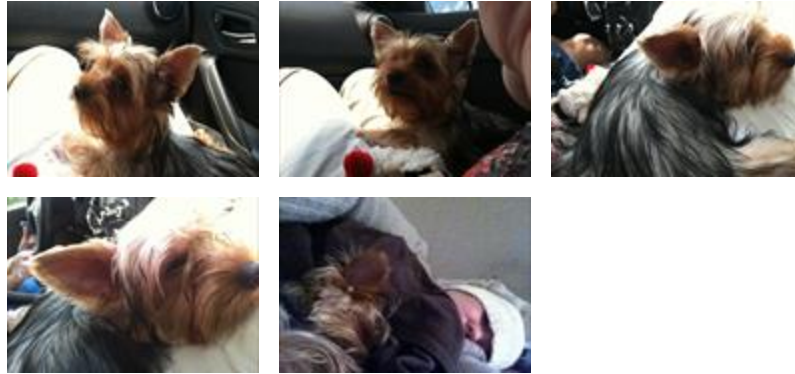

February 24, 2013 - April 24, 2026

Levi was our sun — we were simply the planets that orbited him. Our whole family was weirdos, and Levi was no exception. He hated car rides, peanut butter, and playing outside, despite being a dog. He loved eating, sleeping, cuddling, walkies, laying on the back of the couch like a cat, and playing with his duck toys. He was very photogenic despite hating having his picture taken, which we never understood how he even knew what it was. Levi left a pawprint on all of our hearts that will last a lifetime. I'm so thankful we had 13 long, loving years with our buddy boy
