

## Lexi Day

November 9, 2008 - February 27, 2023

Lexi was such a sweet girl!

She was full of energy! She loved to cuddle, play with her sister Lola, hang out on her chair perch while keeping an eye out for neighborhood activities and Lexi was a crazy sunbather. She will be remembered for her affectionate ways and the great joy she brought as a family companion. She has now been reunited with her sister Lola and her baby boy Bert!
