

Lighty aka lovebug Saxour

September 6, 2019 - May 25, 2022

Lighty (AKA Lovebug) was such a beautiful , full of life, gray cat. She was so sweet. She loved to play, and was such a strong little kitty. When she was only about 4 or 6 weeks old got bit in the face by a dog and went blind in her right eye, but that didn't stop her. She was our little baby girl. She loved to cuddle with us. She always loved to have her nose rubbed, and she loved to have kisses. She also loved taking pictures. She will be missed by us.

Love,

Mommy and Daddy
