

Logan Minor - Settles

February 5, 2011 - March 5, 2021

Logan was born on February 5, 2011 and crossed the Rainbow Bridge on February 26, 2021. He is preceded by Alan Minor, his buddy. We adopted him thru the Capital Area Humane Society. For a tiny one he loved to play with big balls. He was a good soccer player, when he played with it. Instead of you following him on his walks, he followed you. I will miss his dancing when he wanted to go outside. I will also miss his barking. He leaves behind his mom, Linda, his sisters Lily and Bella, and family members who loved him. You will truly be missed. Logan is with his daddy, Alan, who loved him.

Linda, lily, and Bella
