

Lola Day

November 9, 2008 - December 10, 2022

Lola was a sweet rescue and she brought so much happiness to this home. She was loving, smart and gentle. Lola would run like a little lamb and at times she looked like a panda or koala. She had the most beautiful eyes!! It is so hard not having this little, sweet girl as part of the household. Lola was the perfect part of this family!
