

## Louwee Workman

June 27, 2004 - April 21, 2019

Louwee was a devoted lil Firecracker and a best friend who loved to entertain, dress up in clothes, and fill his rubber gut with with hi favorite treats, Zukes, along with carrots, green beans, and broccoli. He was a true definition of a "Bestie" as him and his Mommy just "got each other" and fed off of each others "crazies". His "Funny Lil Fella" personality will greatly be missed and cherished forever. Run free my Love Bug and may there be many of your favorite treats in Heaven. XOXO
