

## Lovie Smith

October 3, 2005 - December 31, 2019

Lovie reserved her name from my daughter. She felt that after my husband passed i needed a little love so she called her Lovie, which she lived up to. Lovie spoke with her eyes, meeting me, going on trips, never leaving me side. She was my best friend. She will truely be missed and never replaced. She was the love of my life.
