

"Lucky" Poo 2 Thompson

May 27, 2019

I met my future companion "Lucky" -2, at club Diversity at S. High Street on October 25th 2008, and fell in love with him. I asked the manager Rick Green if I could take him home with me, and he said YES ! Thus, began a love affair for the next 11 years together. He passed away on Memorial Day, and Colonel took him to Schoedinger Pets Funeral Home. He will be missed forever.
