

Lucy Lecurgo

March 18, 2010 - December 6, 2020

We didn't even know if we wanted a pet, but Lucy instantly stole our hearts, & our food (especially the bacon). She was loved by everyone and scared of everything, but brought so much joy to our lives. From Boat rides at the lake, to barking at the dogs on TV, Lucy always made our adventures more meaningful. Wherever she is, we hope she's eating lots of bacon, avoiding loud noises, and getting plenty of boat rides. She loved being around people, and even went as far as chewing through her Kong cage to find us when we weren't home. Lucy, we never thought losing you would be this hard, but it was one of the hardest things we have had to overcome. You'll forever be our baby girl. While the void we feel without you here will always remain, the joy you brought us far outweighs that sadness. forever in our hearts
