

Luna Grace Allen

May 17, 2018 - September 23, 2025

Luna was a beloved member of my family. She was a mom to many children and her partner and son miss her dearly. Luna was the perfect girl, she never had accidents, didn't dig or eat dirt. She was my loyal companion and my daily life is empty without her. She took a piece of my heart with her. The love we had for each other will never fade. Till we meet again Luna, all my love to you!
