

Maddie Bear Grimm

December 12, 2011 - June 30, 2021

Maddie was a German Shepherd/husky mix and was the sweetest girl you'll ever find. While other dogs barked at strangers she would walk up with her tail wagging asking for a head scratch. We had her for 10 wonderful years and at all the important parts of mine and my husband's life. Our high school graduation, our marriage, moving out on our own, and college graduation. There's no other dog like her and she can never be replaced. She was spoiled, happy, and well loved, and we'll remember her for the rest of our lives.
