

## Maddy

February 28, 2004 - March 5, 2018

Maddy crossed the Rainbow Bridge on March 5, 2018, after spending her life with her owner Liz. Maddy was with Liz through many of her major life milestones: buying her first home, getting married and having kids for the first part of her life, Maddy had a best friend Bella, who crossed the Rainbow Bridge in June 2012. She had a new best friend for the last part of her life, when her family adopted Rio in May of 2017.

Of all the joy Maddy brought to the her family, one of the most significant and cherished was helping Liz meet her best friend Barbara in 2005. Barbara and her dog Aspen moved into the same condo building as Liz, Maddy and Bella. The five began to talk nightly walks around downtown and over the course of the years, became the best of friends.

Maddy will be missed by her family, but they are comforted knowing that she is no longer suffering, and is back together with her pet friends, including Bella, Aspen, Titan, Chloe, Molly, Eve and Hannah.
