

Maggi Mari Wickham

October 13, 2009 - January 5, 2023

Maggi was a young age- Our vet said she was still a young dog. She still got her age as a year old, approx. Well she had been taken out in the country & the man driving stopped the car & shoved out of the car & sped away w/ Maggie trying to catch him. Thank God! a man lived close & he got Maggi & took her to his house & loved her & fed her. He took her to the newly opened dog pound. That's where we found our angel, Maggi! She had a soul & she loved everyone she met!!
