

Magnus Shaffer

November 14, 2017

Magnus was one of my best friends and is going to be missed very much. My heart is absolutely broken but I know he's in a better place now. He was so happy and spoiled and wanted nothing more but a good scratch and his feed. He also was the first one in line for his treats and his apple and orange every day. He is survived by his best friend Cornelius who is totally lost without him. He is also survived by his other brother Stefano and his sisters Star, Selina, Queenie, and Tiger Lily. Magnus, I truly loved you with every ounce of my heart and I hope you are at peace now my sweet baby boy, my little milk carton.
