October 12, 2013 - December 26, 2023

Major there never has been and never will be anyone like you. The hearts you touched and the smiles you created can never be replaced. You were my guardian angel on earth and now you are my guardian angel in Heaven. I will never forget you bubba and i can't wait to see you again one day. Keep Grandma, Aunt Berna and Bryan company. I Love you so much.
