

Malik Carmichael

November 29, 2008 - February 19, 2022

Malik, goodbye is never easy to say. Malik passed away peacefully surrounded by loved ones on February 19, 2022. He is survived by Mother and Father Molly and Quincy Whitfield. Sisters Brooklynne Carmichael and Shayla Leming, Grandma Madonna Mcpherson and Grandfathers Dale Carmichael and Craig Mosley. Son Ezekiel, Best friends Lola Marie and Freya Bear.

Malik was known as a gentle giant, he loved everything and everyone except for squirrels. I will miss Melick's smile when I come home from a hard days work, he always wanted to sit up like he was a human and have you hold his paw. Malik was such a tough dog he never wanted to let you know how much pain he was in. Even though he could hardly walk he would follow me anywhere that I went. I mean any wear. He loved walks, car rides, clothes and hamburgers.

Malik was not just a dog he was a member of my family and I miss him so much! He was my best friend and our protector. Malik There would never be another you! I will see you in heaven.

I Love you,
Mommy
