

## Marvin aka Meatball Snyder

September 17, 2008 - October 29, 2022

Our beautiful kitty, Marvin, was a chunky boy. Hence the nickname Meatball. He was such a sweet, loving, loyal kitty! We got to spend 14 long years together. We miss our big boy so much. I want to thank Schoedinger Pets for taking such good care of our baby. You really show people how compassionate you are and how important our fur babies are.

Rest In Peace Marvin

Until we meet again
