

## Maxine "Maxie" Maslyk

September 30, 2007 - January 6, 2023

Maxie was born in our home with a brother and 3 sisters (pure bred Havanese). She lived with my husband and I and her Momma Murphy until my husband and her Momma Murphy passed away. Then there was just Maxie and I. She died 2 months after her Momma Murphy. Her heart was broken and so is mine.
