

Maya Rhoades

May 7, 2018

I lost my sweet Maya she became very ill unexpected. I was by her side. She was with me through good and bad. Loved me no matter to her as long as she was by my side. Only she could tell you our journey that became our way. I LOVE YOU MAYA. Will miss you deeply. You have touched my heart very deeply. Only you understand my feelings and loved me unconditionally. Rest In Peace with no more pain and running like a freebird. Love you more than you knew. Love you girl.
