

Mike Tipton

November 12, 2020

My precious boy Mike left a year ago today. He was 22 1/2 years old. I found he and his sister Madeline as 4 week old kittens. She passed 11/6/17. He was a beautiful soul and a true buddy. I miss him terribly, but I'm happy he no longer has to endure the effects of his age. I'm counting on seeing them both again one day.
