

Mille Lutz

April 23, 2015 - April 1, 2022

Mille was a beloved family member of the Lutz family. She added love, companionship and loyalty to our family. We had Mille as a puppie and she grew into our family and gave unconditional love every day. She lived a short life of 7 years due to cancer. Mills pawprint will forever live in our hearts. She was a true blessing and a gift from God.

“ Mill, you left us one year ago today and my
heart is still broken and lonely without you. It
is comforting to know you are no longer in any
pain. Always know you were loved and will be
loved, you left your paw print deep within my
heart.

“ *Mille was the best dog ever. Fondest memories are of dinner time! She always pushed that big nose right under your arm to let you know she expected something from your plate! We all always obliged! She will be missed so very much!*
