

## Missy Clifton

June 30, 2020

Missy kitty was my Momma's kitty. Mom left this earth February 16, 2016 and that day forward I was Missy's caretaker & Momma. She was a beautiful kitty that loved to be brushed and loved treats. In her old age she became ill and I had to make that difficult decision for her to cross the rainbow bridge. She will be forever in our hearts.

*Being your Mom's kitty was such a special living being to carry her spirit with you. It isn't losing a "pet". It's such loss of a constant best friend.*

*That cat was just absolutely gorgeous. So sad to hear of her passing.*
