

Mizty Huffman

April 16, 2007 - July 28, 2020

My wife and I came across this little girl in June 2007 at Jacks Aquariums and Pets. She reached out her little paw to us and looked at us as to say "Take me & Love me". We could not deny her the loving home that waited on her. She gave to us 14 years of love, devotion, and always wanting to be with us. God blessed us with her and she will always forever be in our hearts.
