

## Mizty Huffman

July 28, 2020

Today, we lost our most precious one, our little girl "Mizty." She brought so much joy, love and meaning into our lives. You could always count on her to be at the backdoor waiting to inspect our packages or see if there was anything for her. I loved that she would meet me at the back door coming home from work and race to the sofa for me to pick her up and hold her close while she tucked her head under my chin and gave me sweet kisses. She was a people dog and never wanted to be alone. So many 14 years of memories and those memories will forever be engraved in our hearts. Life will never be the same without her. We will cherish Mizty as long as we live and hope to see her again in heaven.

Take a rest our little girl and thank you for everything. We love you so much Tootie Fruity, Meetoot, Teyteypoteytey.
