

Mojo Dunson

August 8, 2008 - April 2, 2023

He came into my life in 2014 after spending the 1st 7 years with my granddaughter at University of Cincinnati. She moved to New York & came to live with me & Chewey & they became best friends. He was the sweetest dog - always by my side! I already miss him so much but now he's with my daughter's dogs Sammie & Duke. Love always XXOO
