

Moose Spradlin

June 21, 2019 - August 3, 2025

Moose unexpectedly passed away on August 3rd, 2025. His family is devastated as he had a new human baby brother that was born on August 5th, 2025. He was the biggest and best boy we have ever met. I can only hope he knows how much we love and miss him. His absence will forever be felt and can never be replaced. We love you Moosey boy.
