

Muffin Copley

July 10, 2017 - December 30, 2019

My little Muffin. You meant so much to me. You were the true companion any person would want. Your passing has left such a huge void in all our hearts, especially mine. I will never forget you, and will always miss your sweet precious looks you would give me when we would be driving in the car. Love you muffin. I sure miss all the travels we went on. Missouri, Florida, Williamsburg you were my companion support puppy for sure. I will not forget our travels and all the fun we had and I still cry when I see see your urn or hear something reminding me of you. Nothing or no one will ever replace the love I feel in my heart for you. My precious baby and your stubbornness. Love you so much.

Mommy

Oh and please don't get mad at me, but I found a twin to you and am getting her so I would not cry so much.
