

My Beautiful Maddie May Geary

May 1, 2007 - August 20, 2021

You were supposed to get a hamburger after surgery, you were supposed to come home. I prepared for the worst with the cancer test, but not to lose you in surgery. You were my teddy bear, my insomnia medicine. I am lost without you. I rescue many but all of you are priceless. Spread your angel wings and fly. We will be together again.

I love you!
