

Nash Reed

August 1, 2010 - March 20, 2020

Nash was more than just our pet, he was part of the family. I've been blessed to have him by my side through all the ups and downs that life has brought in these last ten years. He filled my life with so much joy and made everyone that knew him laugh and smile. From going to the park, for a drive, or just relaxing under a blanket while we watched a movie, Nash just loved to be with those that loved him. Our lives will be much quieter without him to alert us to someone being at the door or that there is a squirrel or cat in the yard. Nash was my best friend and the best dog that anyone could ask for. He loved to follow me around the house and watch everything I did. Life will never be the same without him.

We love you, Boy. Can't wait to see you again.

“ *Nash was the best boy. I had the honor to be his Pet Nurse with Dr. Molly from City Paws. He loved giving me kisses and was always happy to see us. I will miss you sweet boy. Deepest sympathy to his wonderful family. -Linda Melroy, RVT*
