“ *Until We Meet Again*

*Each morning when we awake
we know that you are gone.
And no one knows the heartache
As we try to carry on.*

*Our hearts still ache with sadness
and many tears still flow.
What it meant to lose you,
No one will ever know.*

*Our thoughts are always with you,
your place no one can fill.
In life we loved you dearly,
In death we love you still.*

*There will always be a heartache,
and often a silent tear,
But always a precious memory
Of the days when you were here.*

*If tears could make a staircase,
And heartaches make a lane,
We'd walk the path to heaven
And bring you home again.*

*We hold you close within our hearts,
And there you will remain,
To walk with us throughout our lives
Until we meet again.*

*Our family chain is broken now,
And nothing will be the same,
But as God calls us one by one,
The chain will link again.*

Kyle Shawhan - July 11, 2022 at 03:37 PM

“ *You never said I'm leaving
You never said goodbye.
You were gone before I knew it,
And only God knew why.*

*A million times I needed you,
A million times I cried.
If love alone could have saved you,
You never would have died.*

*In life I loved you dearly,
In death I love you still.
In my heart you hold a place,
That no one could ever fill.*

*It broke my heart to lose you,
But you didn't go alone
For part of me went with you,
The day God took you home.*

“ Navi, I've come here a lot and haven't found the words.. there are none. I'm so sorry and miss you. I smile and giggle often about how your dad loved to scare me when we would come over.. telling you, Navi get her.. and id freak out cause I have a fear and your dad knew and would mess with me.. you did a great job messing with me with him. I am grateful to have gone on hikes with you... you always blew me away with how good you were and listened to dad.. it was so nice to see you two together.. I remember the first time you let me pet you.. you kept up the game scare Brooke with dad.. but would come show me love.. and I loved it and you. And I miss you.. I'm just happy I got to meet and know and love you. You will never stop being loved and missed by us all. I'm so sorry you got your Angel wings so young.. but the love and happiness you gave will last forever in our hearts.. I just know your watching over your family and up there playing with Sydney and hopefully sophie, Tessa, and dudley have come to play with you too. Lots of love and memories I will cherish of the times I got to spend with you. Love Brooke

I was behind on Halloween this year. The kids reminded me.

Fall/Halloween just won't be the same Nav. You had a wardrobe for this time of year.. I'm gonna miss buying you new outfits and you letting me dress you up. You loved dressing up and "getting your makeup done".. I'm gonna miss the deck fires with you bundled up with me and a blanket.

And if you are still around, be nice to the trick or treaters.. 🙄 🤢 🤔

“ I miss coming home to my girl after work as she would be waiting in the window for me every weekday afternoon at about 4:15. I miss coming home from the grocery store and her going through each of the bags as we brought them in to see if we got her anything. I miss bedtime, she would get up on the end of the bed and I would cover her up with her unicorn blanket. I miss her going crazy everytime I would crush my beverage can after i finished it. I miss playing with her, and her cuddling up to me while we watched TV. And of coarse our early morning hikes at the metro and state parks every weekend mornings.

“ *From the moment I met you,
you had this look in your eyes.
A longing for home and things so wise.
Nothing can replace the void that I feel.
Rest my sweet girl, the feelings were real.*

“ *Navi was the best puppy. She loved to chase squirrels and yell at the mailman for giving us our mail. She always went on Sunday morning walks and would sleep the rest of the day like she hasn't slept in years. Navi's best friend was Ean the cat, they would have dominance battles where Navi always lost. She would even let Ean drink out of her water bowl. She would let her food sit half the day and instead would rather beg for everyone else's food. Navi was a big friendly giant and she will be missed for life. Navi is the best, sweetest puppy I was blessed to have in my life*
