Nugget

Our Nugget was a sweet and gentle soul. He came into our lives after the loss of a cat that we had for 20 years. He was such a blessing. He helped heal our broken hearts. Jerry adored his playful chirps and his sideway dance. He was adored by everyone who met him. He played fetch and was so smart. I believe his short life had great meaning and his purpose was to inform and save other pets and small children from salt poisoning. We will never forget our Beautiful Boy! Momma loved you with all our hearts. He had just turned 1 year old. His life was cut short after licking a Himalayan Salt Lamp. Rest in Peace my sweet Angel.

NUGGETS MESSAGE!

Please spread the word so no one else experiences the heartbreaking loss of a beloved pet.

Himalayan Salt lamps are harmful to Dogs and Cats and Small Children.
