

## Otago Albanese

September 22, 2009 - August 15, 2019

Otago was a beloved best friend and sister. Named for the university in New Zealand her Aunt Lisa attended, she was as unique and special in personality as in name. She loved, and was loved by, everyone she met, human, dog, and cat alike. She will forever be missed by her Mom, brother Vincent, and other human, dog, and cat family members.
