

## Pablo Davis

September 1, 2007 - November 2, 2021

Pablo, you were the bestest of boys and made us better for it. You are so deeply loved and missed immensely.

“Pablo came into our lives in 2020 and what a pure joy he was. He absolutely loved hanging out in the yard and visiting with us and the neighbors. Funniest memory was how he lost his harness and no one could figure out why. We found it and him as he had scooted under the fence to go visit Mr John and lost his harness in the process. We will miss him terribly. He was my dude when he came to visit us. Sending you hugs Kevin and Ellyssa in this time of your loss.
